DAY 22

A 7-Day Livestreaming Sprint – Day 2

Today's is Day 2 of the 7-Day Livestreaming sprint.

By the way, if you didn't manage to keep up with doing livestream two days in a row, no big deal, pick up where you left and keep moving.

If you skipped because you were busy make sure that you schedule your livestream in the morning, thus nothing will get in a way to your commitment of daily livestreaming.

I would recommend that you do Facebook Live on your business page because it is easier to measure the results.

You are welcome to share your Facebook Lives in a group – [Social Media for Intuitive and Spiritual Entrepreneurs](#).

Please refer to [previous lesson](#) to arrange your personal daily challenges, and you can use a suggested outline of your livestream on [Day 4](#).

Topic for the Day 2

Your first day in business

Share memories how you started your business or why did you start your business. Tell a story.

Possible call to action – “Follow my page or Subscribe to notifications or If you have any questions – send me a message”. You can use all three calls to actions.

Alternative topic

Share your blog post. Recap main points of your blog post.

Post a link to your blog post and invite them to click on the link and read the full article. Possible call to action – ask them to leave a comment on your blog.

If you have any challenges around Facebook Live, please send me an email to inga.social.media@gmail.com and I will prepare an answer which helps not only you but other entrepreneurs who are doing this 30-Day Challenge.
